

## THE TRIUNE GOD

An Introduction to Who Is God & What Is God Like

### READ

• Matthew 26:16-20

### RESPOND

Question 1. Who do you think Jesus is? Who does Jesus say He is?

Question 2. The Trinity is a “mystery” that we do not fully understand. How do you best understand it?

Question 3. Is there a person of the Trinity you’ve left behind in your understanding of God?

### PRAY

If there’s a person of the Trinity you’ve neglected, ask God to guide you through this coming day/week to take note of that person (the awesomeness of the Father, the humility of Christ, the power of the Holy Spirit etc.)

### REFLECT

The doctrine of the Trinity was not founded from theological think tanks, but from the simple truths from Jesus Christ.
